PATTERN NOTES

The first frost of the year begs for cozy scarves that are ready to be wrapped around your neck as you head out for the day. A rib pattern is among the comfiest of all for scarves, and using our Cinema yarn, even better. This single ply bulky yarn is perfect for cool weather projects like the Hoarfrost Scarf, which is sure to be loved by whomever you make it for.

This scarf is knit flat. Fringe is attached on each end during finishing.
